

- Warrantee offered with this Estimate:
 - o Owens Corning System Protection
 - o Owens Corning Platinum Protection
- Things to keep in mind about your roof:
 - o Your roof decking is made with **Plank Boards Plywood**

Although some residual debris from the tear-off process will be introduced into the attic, the amount is more with Plank Board construction
 - o We found that your roof decking is currently uneven
 - o We discovered some issues with your siding that may affect your new roof.
Note:
 - o You have a Satellite Dish that we will replace to the best of our ability but may require your satellite provider to re-aim at your expense.
 - o If we replace a skylight debris may fall into the house. Deck mount skylights must be trimmed on the inside.
 - o Your currently installed gutter guards can affect how the new shingles lay.
- Estimated roofing price
 - o Options / Upgrades
 - o Gutters Price (two separate crews / install dates / invoices)
 - o Total project price
