"Colors From The Heartland Of America"

FACT:

**Your roof can represent up to 40%
of your home's "curb appeal."**

You can improve its looks and even its resale value with Timberline® American Harvest® Shingles from GAF. Designed to complement your home's exterior color scheme, the American Harvest® Collection will give you that modern architectural style you want, at a price you can afford! Its custom color palette, designed exclusively for GAF by color industry expert Patricia Verlodt, has been enhanced for maximum appeal — adding even greater dimensionality and beauty to your roof with higher contrast and on-trend colors.

But it's more than just a great-looking shingle. When you install Timberline® American Harvest® Shingles with Advanced Protection® Shingle Technology, you're getting rugged, dependable performance. Add to that the Women's Choice Award® and the Good Housekeeping Seal, and it's no wonder why GAF Timberline® Shingles with **Advanced Protection® Shingle Technology** are the #1-selling shingles in all of North America.

T

he warm browns in Saddlewood Ranch are the perfect companion to beige, a best-selling color in siding and exterior paint. This house presents a cheerful face with cream, brown, and an accent of terra cotta playing off the tones of the roof. Saddlewood Ranch also looks very stylish when paired with other earth tones and reds.

N

nantucket Morning

has cool gray tones that are highly popular in many parts of the country. While this blend makes a perfect companion to the blues and grays seen today in siding and exterior paint, it also coordinates effortlessly with a warm, yellow-based brick, as well as with many of the popular beiges and browns found in other exterior products.

"The power of finding beauty in the humblest things makes home happy and life lovely."

Golden Harvest

"Colors From
The Heartland
Of America"

T

he warm golden tone of **Golden Harvest** is reminiscent of cedar shakes. Enhanced by the incorporation of light blue, tangerine, and chocolate hues, this shingle presents a striking color that provides warmth and class to almost any siding or brick. This blend has the most contrast in the collection, for those who prefer a light yet colorful roof.
