Manufactured Gutter Products

20 Year Limited Transferable Prorated Warranty

LYF-TYM Building Products Co., Inc. (hereinafter "LYF-TYM") has been in the Rain Carrying business since 1966. LYF-TYM is proud of its rain carrying Manufactured Gutter Products and extends to you as an owner of its Manufactured Gutter Products the warranty set forth below.

Limited Warranty Coverage

Subject to the exclusions and limitations set forth in this Warranty, LYF-TYM warrants that its Manufactured Gutter Products if installed correctly are free from defects in material and workmanship in the course of manufacture and that the finish on the Manufactured Gutter Products will not chip, peel, flake or blister under conditions of ordinary wear.

If such defects arise during the term of this warranty ("Warranty Period"), LYF-TYM, upon notification and validation of the complaint, will solely at its option, either repair, replace or refinish (excluding all installation and other associated materials and costs) the Manufactured Gutter Products found to be defective, or refund the purchase price of the originally installed Manufactured Gutter Products found to be defective (excluding all installation and other associated materials and costs); provided, however, that if the complaint is filed and validated during the first (3) years of the Warranty period, LYF-TYM will undertake such repair, replacement or refinishing of the Manufactured Gutter Products found to be defective, providing both materials and labor at its sole cost and expense. Moreover, in the event LYF-TYM elects to refund the purchase price of the originally installed Manufactured Gutter Products found to be defective and such refund is made in satisfaction of a complaint filed and validated during the first (3) years of the Warranty period, such refund shall include both materials and associated labor. LYF-TYM's obligations under this Warranty shall in no event exceed the purchase price of the originally installed Manufactured Gutter Products found to be defective, excluding all installation and other associated materials and costs, unless such Warranty liability is premised upon a complaint filed and validated during the first (3) years of the Warranty period, in which case LYF-TYM's obligations shall include the cost of both materials and associated labor. Any cost and expense beyond LYF-TYM's liability hereunder shall be the responsibility of the owner(s) of the property.

Notwithstanding the foregoing, LYF-TYM's liability hereunder for Manufactured Gutter Products found to be defective shall be prorated based on the following schedule:
